EVENT DETAILS

The Western U.S. Agricultural Trade Association (WUSATA®) and the 15 Western Region Departments of Agriculture announce participation and registration in the following activity, which is brought to you by the USDA's Foreign Agricultural Service:

2024 European Inbound Mission to Colorado and New Mexico Denver, CO & Albuquerque June 3 - 7, 2024

With a population of 447 million people, a vibrant market economy, high food standards, and a highly attractive export market especially for U.S. firms, the European Union (EU) is an important region to focus on for trade. Every year, European countries are top trading partners for the U.S., especially in food and agricultural products. In 2022, the EU was the fifth largest destination for U.S. agricultural exports, which totaled \$14.55 billion.

WUSATA participants will have the opportunity to meet with qualified European buyers either in Colorado or New Mexico. Buyers will visit facilities and participate in meetings for two days in both locations.

Benefits of Participation:

- Meet one-on-one with pre-qualified buyers from Europe
- Showcase your products, gather market intelligence and market trends
